A6 organic OZONE washing machine offers many advantages

- A6 organic OZONE washing machine can save 50% of time process and can make effecting or bleaching without using any chemicals comparing with the current washing process
- The washing process is organic and enviromentally friendly
- A6 organic OZONE washing machine reduces the using of chemicals during washing process and also the wasting of chemicals after washing process up to 90% comparing with the current technology
- According to the other washing machines, you save 60% of electricity, water and labor costs
- During bleaching process A6 organic OZONE washing machine eliminates of staining problems
- A6 organic washing machine cleans the remaining agriculturucal wastes of pesticide on the products.
- A6 organic washing machine increases the effects form grey to blue bleach on the same products.

%70 LESS TIME PROCESS

%85 CHEMICAL SAVINGS

%80 WATER SAVINGS

%70 ENERGY SAVINGS

Technical Specifications

Voltage	380 V
Electricity Consumption	9 kw/h
Air Pressure	6 bar
Gas	produces 3 different gases
Drum Pressure Control	by 2 pressure control sensors
Gas Discharge Engine	0.37 kw/h
Drum Cycle	reduction gear engine 2.2 kw/h
Product Unload	hydraulic tilting system
Inverter	LS
Width	2310 mm
Height	2430 mm
Depth	2300 mm
Weight	3000 kg
